

Summer Blast Weekly

Up, Up and Away! Week 4: July 10-14

Welcome to Summer Blast 2017!

We hope that you are ready for a week of fun. Each day we will begin with free time from 9:00- 9:20 am. Structured activities and games will be conducted until 11:45 am. We've listed a few of the planned activities for this week on the sheet. Please make sure your child is wearing both sneakers and sunscreen each day. Please send your child with water only to drink (we are trying to avoid bees) and a small snack, and we ask that electronic games are left at home. *Also, your child will need to be signed in and out at the Park each day.* We are looking forward to a great week!!!

Meet your Blast Counselors:

Miss Katie McGovern

Hello! I am so excited for my first summer with Summer Blast! This is my absolute favorite time of the year and I can't wait to share some of my favorite summertime activities with you all. I graduated from Messiah College last year and I now teach 3 year old preschool during the school year. My favorite things to do in my spare time are hiking and horseback riding. Let's make this summer one to remember!

Miss Sheri Patton

I am excited to continue the summer fun. Drawing from my many years of experience as a physical education teacher, coach and referee, I have plenty of new and favorite games/as well as physical activities to share with everyone. I enjoy introducing innovative and healthy opportunities that participants can continue practicing throughout their lives.

We have a few simple rules:

- 1) *Safety First (please wear sneakers)*
- 2) *Be Kind to Others*
- 3) *Follow the Rules*
- 4) *Always Play Fair*
- 5) *Bring WATER to drink!*

In the Event of Rain:

Blast will be held in light rain. In case of heavy rain, the program may be cancelled. Please call the office after 8:30 am on questionable days. Check the rain cancellation policy on the WSRec website, in the brochures or call the office at 920-9515.
