##### *Miss Katie McGovern*

Hello! I am so excited for my first summer with Summer Blast! This is my absolute favorite time of the year and I can't wait to share some of my favorite summertime activities with you all. I graduated from Messiah College last year and I now teach 3 year old preschool during the school year. My favorite things to do in my spare time are hiking and horseback riding. Let's make this summer one to remember!

##### *Miss Sheri Patton*

I am excited to continue the summer fun. Drawing from my many years of experience as a physical education teacher, coach and referee, I have plenty of new and favorite games/as well as physical activities to share with everyone. I enjoy introducing innovative and healthy opportunities that participants can continue practicing throughout their lives.
