Meet your Blast Counselors:

Miss Katie McGovern

Hello! I am so excited for my first summer with Summer Blast! This is my absolute favorite time of the year and I can't wait to share some of my favorite summertime activities with you all. I graduated from Messiah College last year and I now teach 3 year old preschool during the school year. My favorite things to do in my spare time are hiking and horseback riding. Let's make this summer one to remember!

Miss Sheri Patton

I am excited to continue the summer fun. Drawing from my many years of experience as a physical education teacher, coach and referee, I have plenty of new and favorite games/as well as physical activities to share with everyone. I enjoy introducing innovative and healthy opportunities that participants can continue practicing throughout their lives.
